

To All Our Valued Customers and Friends,

As the end of another year approaches and the cold winter days sneak in, we all find ourselves a little overwhelmed getting ready for the Holiday season- "It's only a few weeks until Christmas and I don't know what to get the kids!", "Who's cooking Thanksgiving dinner this year?", and "When will I find time to put out the Christmas lights?"- Sometimes we forget what this time of year is all about. It's about our family and friends. It's about remembering the things we are thankful for and giving to others in need. This Holiday Season, we at SGK Landscapes hope that you will join us in giving back to the community. We will be selling Christmas trees in the Rick's parking lot on Hwy 182 in Starkville. All proceeds will go to CloverStreet Projects Christmas Assistance Program. Last year alone they helped put smiles on seven local children's faces that would have awakened to no Christmas. We will have trees ranging from six feet to twelve feet and of three different varieties: Virginia Pine, Leyland Cypress, and Fraser Fir. We also welcome any additional donations you would like to contribute to the charity. We will be open on weekdays from 5:00pm to 9:00pm, on Saturdays from 10:00am to 8:00pm and on Sundays from 12:00pm to 6:00pm beginning November 21st and continuing until all trees are sold. We look forward to seeing you there!

Happy Holidays,

Sonny Trimm
